Specialist Continence and Women’s Health Physiotherapists
Specialist Continence and Women’s Health Physiotherapists are Fellows of the Australian College of Physiotherapists (The College). They are awarded the title of ‘Specialist’ by The College and may use the ‘FACP’ postnominal. These individuals have attained the highest level of expertise in their particular field of physiotherapy via The College’s rigorous training and examination process. Specialists contribute to the professional education of colleagues, actively engage in their own professional development and have had involvement in research activities.

APA Continence and Women’s Health Physiotherapist
APA Continence and Women’s Health Physiotherapists have successfully completed the Australian Physiotherapy Association’s (APA) titling process. The title ‘APA Continence and Women’s Health Physiotherapist’ is a professional mark of distinction that recognises physiotherapists with advanced expertise and experience in their area of practice, in this case, continence and women’s health. Becoming a titled member of the APA is part of the pathway to Fellowship of The College and specialisation (see ‘Specialist Continence and Women’s Health Physiotherapists’, above).

Continenence & Pelvic Floor Conditions:
- PAEDS  Paediatrics
- WOM  Women
- MEN  Men
- PR&SD  Pelvic Pain & Sexual Dysfunction
- FI&ARD  Faecal Incontinence & Ano-rectal

Perinatal Conditions:
- BREASTS  Breasts
- MUSC  Musculoskeletal
- PGP  Pelvic Girdle Pain
- PF  Pelvic Floor

Other Conditions:
- LYM/ONC  Lymphoedema/Oncology
- OSTEO  Osteoporosis/Osteopenia

Classes Offered:
- ANTE  Antenatal
- POST  Postnatal
- AQUA  Aquatic
- PF  Pelvic Floor
- ML  Mid Life
- BONE  Bone Health
- PIL  Pilates
